Re Acquisition of certain properties for widening the Krishna Cinema road in the Gumchi square

===

With reference to your office letter No LAR 6/38-39 dated the 19th July 1938 regarding the above, I have the honor to state that the Municipal Council wanted to acquire an extent of land measuring 30' x 12½' for widening the road When I inspected the spot and the matter was placed before the Municipal Council, the owners of the properties contested that by acquiring a major portion of their houses, the remaining portion will not be of any use to them and agreed to part-with their land if a lesser portion of their house is acquired Considering all the aspects of the case, the Municipal Council at their meeting held on 30-3-38 resolved that an extent of land measuring 30' x 6½' from the houses belonging to Messrs Anantaramashetty and Gangappa and Muddappa may be acquired

Under these circumstances, I am of opinion that the extent now proposed to be acquired seems to be sufficient and request that it may kindly be arranged to be acquired very early

The connected previous records and the necessary notifications under Section 17 of the Land Acquisition Act are sent herewith as desired
